

"WICKED COOL FOR KIDS!" Grade K - 5

CLASS INFORMATION: As summer is in full swing, we will be offering two new and exciting programs! Wicked Cool for Kids is a locally-owned education company that has operated its programs in the Northeast since 2007. Their high-quality enrichment programming serves children from elementary through middle school. They encourage activity-based learning in a wide variety of topics which support recognized educational and developmental goals. Wicked Cool for that promotes learning by engaging a child's sense of excitement, wonder and fun. They encourage activity-based learning but also schedule time for play. Instructors are chosen not only for their educational background, but also for their ability to create a safe and comfortable setting to welcome a child – it makes for a wicked cool Summer! Don't hesitate, register early!

Classes that every boy or girl entering grades K-5 will enjoy!

SUPERHERO PHYSICS: What makes a superhero super? Physics! Conduct gravity experiments to learn what it would take for Superman to leap over tall buildings in single bound. Create optical illusions to understand how Wonder Woman's jet can disappear. We'll investigate how Spiderman (and real spiders) can walk up walls and examine Batman's super gadgets that help him fight crime. Morph into the world of superheroes using the science that could make superheroes a reality. Super science fun!

WICKED GROSS SCIENCE: Gross Science is not for the easily queasy! The gross yet fascinating things in life may hide many science secrets, like what's hidden in a diaper. Kid chemists can discover acids and bases and make putrid potions that bubble and burp. We will create alien slime, dissect owl puke and grow gross bacteria. Slither with snakes and slimy worms and find out what's behind that smell — ewww! Wicked Gross Science is guaranteed to be grossly amusing.

REGISTRATION: **Registration begins March 7, 2016.** Registration is open to students of Exeter and surrounding towns, on a first-come, first-served basis. Registrations are accepted at the Exeter Recreation Office during our business hours, on-line, mail or fax. Payment must be paid at the time of registration and a medical release form must be completed. (10) person minimum, (15) person maximum.

LOCATION: Classes will be held in the Small Upstairs Room at the Exeter Recreation Building, 32 Court Street, Exeter. Come and try a fun and exciting class!

FEE: Please make your check payable to: EPRD. Visa & MasterCard accepted. Sorry, no refunds unless the program is cancelled. A \$20.00 fee is assessed for each returned check.

July 11 th – July 15 th , 2016
